All criteria so specified, and only such specified criteria, shall be used to determine whether a bidder is qualified. Qualification shall be assessed on a "pass or fail" basis, and merit points shall not be used. Such assessment shall be based entirely upon the bidder's or prospective bidder's capability and resources to effectively perform the contract, taking into account objective and measurable factors, including: (i) relevant general and specific experience, and satisfactory past performance and successful completion of similar contracts over a given period; (ii) financial position; and where relevant; (iii) capability of construction and/or manufacturing facilities. Prequalification procedures and documents acceptable to the Association shall be used for large, complex and/or specialized works.

The verification of the information upon which a bidder was prequalified, including current commitments, shall be carried out at the time of contract award, along with the bidder's capability with respect to personnel and equipment. No negotiations shall be permitted. A bidder shall not be required, as a condition for award, to undertake obligations not specified in the bidding documents or otherwise to modify the bid as originally submitted. A bidder shall not be eliminated from detailed evaluation on the basis of minor, non-substantial deviations.

**Rejection of All Bids and Re-bidding:** All bids (or the sole bid if only one bid is received) shall not be rejected, the procurement process shall not be cancelled, and new bids shall not be solicited without the Association's prior written concurrence.

A Bidder may refuse the request for extension of bid validity without forfeiting its bid guarantee. No further extensions shall be requested without the prior written concurrence of the Association.

**Guarantees:** Guarantees shall be in the format included in the bidding documents. The bid guarantee shall be valid for twenty-eight days (28) beyond the original validity period of the bid, or beyond any period of extension if requested. No advance payments shall be made without a suitable advance payment guarantee. Performance security shall not exceed ten percent (10%) of the contract amount.

**Fraud and Corruption:** The bidding documents and contract as deemed acceptable by the Association, shall include provisions stating the Association's policy to sanction firms or individuals found to have engaged in fraud and corruption as defined in the Procurement Guidelines.

**Inspection and Audit Rights:** Each bidding document and contract financed out of the proceeds of the Credit shall provide that bidders, suppliers and contractors, and their subcontractors, agents, personnel, consultants, service providers, or suppliers, shall permit the Association to inspect all accounts, records, and other documents relating to the submission of bids and contract performance, and to have them audited by auditors appointed by the Association. Acts intended to materially impede the exercise of the Association's inspection and audit rights provided for in the Procurement Guidelines constitute an obstructive practice as defined in the Guidelines.

**Contract Modifications:** With respect to contracts subject to the Association's prior review, the Recipient shall obtain the Association's no objection before agreeing to: (a) a material extension of the stipulated time for performance of a contract; (b) any substantial modification of the scope of services or other significant changes to the terms and conditions of the contract; (c) any variation order or amendment (except in cases of extreme urgency) which, singly or combined with all variation orders or amendments previously issued, increases the original contract amount by more than fifteen percent (15%); or (d) the proposed termination of the contract. A copy of all contract amendments shall be provided to the Association.

### **Introductory Provisions**

#### *Section 1.01. Application of General Conditions*

These General Conditions set forth certain terms and conditions generally applicable to the Financing Agreement and to any other Legal Agreement. They apply to the extent the Legal Agreement so provides. If there is no Project Agreement between the Association and a Project Implementing Entity, references in these General Conditions to the Project Implementing Entity and the Project Agreement shall be disregarded.

#### *Section 1.02. Inconsistency with Legal Agreements*

If any provision of any Legal Agreement is inconsistent with a provision of these General Conditions, the provision of the Legal Agreement shall govern.

#### *Section 1.03. Definitions*

Whenever used in these General Conditions or in the Legal Agreements (except as otherwise provided in the Legal Agreements), the terms set forth in the Appendix have the meanings ascribed to them in the Appendix.

#### *Section 1.04. References, Headings*

References in these General Conditions to Articles, Sections and Appendix are to the Articles and Sections of, and the Appendix to, these General Conditions. The headings of the Articles, Sections and Appendix, and the Table of Contents are inserted in these General Conditions for reference only and shall not be taken into consideration in interpreting these General Conditions.

## **ARTICLE II**

### **Withdrawals**

#### *Section 2.01. Financing Account, Withdrawals Generally, Currency of Withdrawals*

(a) The Association shall credit the amount of the Financing to the Financing Account in Special Drawing Rights.

(b) The Recipient may from time to time request withdrawals of amounts of the Financing from the Financing Account in accordance with the provisions of the Financing Agreement and of these General Conditions.

(c) Each withdrawal of an amount of the Financing from the Financing Account shall be made in such Currency or Currencies as the Recipient shall reasonably request to meet payments for Eligible Expenditures. The amount of each withdrawal from the Financing Account shall be calculated as the equivalent in terms of Special Drawing Rights (determined as of the date of withdrawal) of the Currency or Currencies so

requested.

#### Section 2.02. *Special Commitment by the Association*

At the Recipient's request and on such terms and conditions as the Recipient and the Association shall agree, the Association may enter into special commitments in writing to pay amounts for Eligible Expenditures notwithstanding any subsequent suspension or cancellation by the Association or the Recipient ("Special Commitment").

#### Section 2.03. *Applications for Withdrawal or for Special Commitment*

(a) When the Recipient wishes to request a withdrawal from the Financing Account or to request the Association to enter into a Special Commitment, the Recipient shall deliver to the Association a written application in such form and substance as the Association shall reasonably request. Applications for withdrawal, including the documentation required pursuant to this Article, shall be made promptly in relation to Eligible Expenditures.

(b) The Recipient shall furnish to the Association evidence satisfactory to the Association of the authority of the person or persons authorized to sign such applications and the authenticated specimen signature of each such person.

(c) The Recipient shall furnish to the Association such documents and other evidence in support of each such application as the Association shall reasonably request, whether before or after the Association has permitted any withdrawal requested in the application.

(d) Each such application and accompanying documents and other evidence must be sufficient in form and substance to satisfy the Association that the Recipient is entitled to withdraw from the Financing Account the amount applied for and that the amount to be withdrawn from the Financing Account will be used only for the purposes specified in the Financing Agreement.

(e) The Association shall pay the amounts withdrawn by the Recipient from the Financing Account only to, or on the order of, the Recipient.

#### Section 2.04. *Designated Accounts*

(a) The Recipient may open and maintain one or more designated accounts into which the Association may, at the request of the Recipient, deposit amounts withdrawn from the Financing Account as advances for purposes of the Project. All designated accounts shall be opened in a financial institution acceptable to the Association, and on terms and conditions acceptable to the Association.

(b) Deposits into, and payments out of, any such designated account shall be made in accordance with the Financing Agreement and these General Conditions and such additional instructions as the Association may specify from time to time by notice to the Recipient. The Association may, in accordance with the Financing Agreement and such instructions, cease making deposits into any such account upon notice to the Recipient. In such case, the Association shall notify the Recipient of the procedures to be used for subsequent withdrawals from the Financing Account.

#### *Section 2.05. Eligible Expenditures*

The Recipient and the Project Implementing Entity shall use the proceeds of the Financing exclusively to finance expenditures which, except as otherwise provided in the Financing Agreement, satisfy the following requirements ("Eligible Expenditures"):

(a) the payment is for the financing of the reasonable cost of goods, works or services required for the Project, to be financed out of the proceeds of the Financing and procured, all in accordance with the provisions of the Legal Agreements;

(b) the payment is not prohibited by a decision of the United Nations Security Council taken under Chapter VII of the Charter of the United Nations; and

(c) the payment is made on or after the date specified in the Financing Agreement, and except as the Association may otherwise agree, is for expenditures incurred prior to the Closing Date.

#### *Section 2.06. Financing Taxes*

The use of any proceeds of the Financing to pay for Taxes levied by, or in the territory of, the Recipient on or in respect of Eligible Expenditures, or on their importation, manufacture, procurement or supply, if permitted by the Financing Agreement, is subject to the Association's policy of requiring economy and efficiency in the use of the proceeds of its credits and grants. To that end, if the Association at any time determines that the amount of any such Tax is excessive, or that such Tax is discriminatory or otherwise unreasonable, the Association may, by notice to the Recipient, adjust the percentage of such Eligible Expenditures to be financed out of the proceeds of the Financing specified in the Financing Agreement, as required to ensure consistency with such policy of the Association.

#### *Section 2.07. Refinancing Preparation Advance*

If the Financing Agreement provides for the repayment out of the proceeds of the Financing of an advance made by the Bank or the Association ("Preparation Advance"), the Association shall, on behalf of the Recipient, withdraw from the Financing Account on or after the Effective Date the amount required to repay the withdrawn and outstanding balance of the advance as at the date of such withdrawal from the Financing Account and to pay all accrued and unpaid charges, if any, on the advance as at such date. The Association shall pay the amount so withdrawn to itself or the Bank, as the case may be, and shall cancel the remaining unwithdrawn amount of the advance.

Section 2.08. *Reallocation*

Notwithstanding any allocation of an amount of the Financing to a category of expenditures under the Financing Agreement, if the Association reasonably determines at any time that such amount will be insufficient to finance such expenditures, it may, by notice to the Recipient:

(a) reallocate any other amount of the Financing which in the opinion of the Association is not needed for the purpose for which it has been allocated under the Financing Agreement, to the extent required to meet the estimated shortfall; and

(b) if such reallocation will not fully meet the estimated shortfall, reduce the percentage of such expenditures to be financed out of the proceeds of the Financing, in order that further withdrawals for such expenditures may continue until all such expenditures have been made.

#### *Section 6.02. Suspension by the Association*

If any of the events specified in paragraphs (a) through (m) of this Section occurs and is continuing, the Association may, by notice to the Recipient, suspend in whole or in part the right of the Recipient to make withdrawals from the Financing Account. Such suspension shall continue until the event (or events) which gave rise to suspension has (or have) ceased to exist, unless the Association has notified the Recipient that such right to make withdrawals has been restored.

(a) *Payment Failure.* The Recipient has failed to make payment (notwithstanding the fact that such payment may have been made by a third party) of principal, interest, service charges or any other amount due to the Association or the Bank: (i) under the Financing Agreement; or (ii) under any other agreement between the Recipient and the Association; or (iii) under any agreement between the Recipient and the Bank; or (iv) in consequence of any guarantee extended or other financial obligation of any kind assumed by the Association or the Bank to any third party with the agreement of the Recipient.

*Section 7.02. Failure to Exercise Rights*

No delay in exercising, or omission to exercise, any right, power or remedy accruing to any party under any Legal Agreement upon any default shall impair any such right, power or remedy or be construed to be a waiver thereof or an acquiescence in such default. No action of such party in respect of any default, or any acquiescence by it in any default, shall affect or impair any right, power or remedy of such party in respect of any other or subsequent default.

*Section 7.03. Arbitration*

If either party fails to appoint an arbitrator, such arbitrator shall be appointed by the Umpire. In case any arbitrator appointed in accordance with this Section resigns, dies or becomes unable to act, a successor arbitrator shall be appointed in the same manner as prescribed in this Section for the appointment of the original arbitrator and such successor shall have all the powers and duties of such original arbitrator.

(d) An arbitration proceeding may be instituted under this Section upon notice by the party instituting such proceeding to the other party. Such notice shall contain a statement setting forth the nature of the controversy or claim to be submitted to arbitration, the nature of the relief sought and the name of the arbitrator appointed by the party instituting such proceeding. Any question concerning the division of the costs of the Arbitral Tribunal or the procedure for payment of

such costs shall be determined by the Arbitral Tribunal.

(j) The provisions for arbitration set forth in this Section shall be in lieu of any other procedure for the settlement of controversies between the parties to the Financing Agreement or of any claim by either party against the other party arising under the Financing Agreement.

(k) If, within thirty days after counterparts of the award have been delivered to the parties, the award has not been complied with, either party may: (i) enter judgment upon, or institute a proceeding to enforce, the award in any court of competent jurisdiction against the other party; (ii) enforce such judgment by execution; or (iii) pursue any other appropriate remedy against such other party for the enforcement of the award and the provisions of the Financing Agreement. Notwithstanding the foregoing, this Section shall not authorize any entry of judgment or enforcement of the award against the Recipient except as such procedure may be available otherwise than by reason of the provisions of this Section.

(l) Service of any notice or process in connection with any proceeding under this Section or in connection with any proceeding to enforce any award rendered pursuant to this Section may be made in the manner provided in Section 9.01.
