Definitions of EURIBOR and LIBOR

A. EURIBOR

"EURIBOR" means:

- (a) in respect of a relevant period of less than one month, the Screen Rate (as defined below) for a term of one month;
- (b) in respect of a relevant period of one or more months for which a Screen Rate is available, the applicable Screen Rate for a term for the corresponding number of months; and
- (c) in respect of a relevant period of more than one month for which a Screen Rate is not available, the rate resulting from a linear interpolation by reference to two Screen Rates, one of which is applicable for a period next shorter and the other for a period next longer than the length of the relevant period,

(the period for which the rate is taken or from which the rates are interpolated being the "Representative Period").

For the purposes of paragraphs (b) and (c) above, "available" means "calculated and published" under the aegis of the EURIBOR EBF and EURIBOR ACI (or any successor to that function of the EURIBOR EBF and EURIBOR ACI as determined by the Bank) for given maturities. "Screen Rate" means the rate of interest for deposits in EUR for the relevant period as published at 11h00, Brussels time, or at a later time acceptable to the Bank on the day (the "Reset Date") which falls 2 (two) Relevant Business Days prior to the first day of the relevant period, on Reuters page EURIBOR 01 or its successor page or, failing which, by any other means of publication chosen for this purpose by the Bank.

If such Screen Rate is not so published, the Bank shall request the principal euro-zone offices of four major banks in the euro-zone, selected by the Bank, to quote the rate at which EUR deposits in a comparable amount are offered by each of them as at approximately 11h00, Brussels time, on the Reset Date to prime banks in the euro-zone interbank market for a period equal to the Representative Period. If at least 2 (two) quotations are provided, the rate for that Reset Date will be the arithmetic mean of the quotations.

If fewer than 2 (two) quotations are provided as requested, the rate for that Reset Date will be the arithmetic mean of the rates quoted by major banks in the euro-zone, selected by the Bank, at approximately 11h00, Brussels time, on the day which falls 2 (two) Relevant Business Days after the Reset Date, for loans in EUR in a comparable amount to leading European Banks for a period equal to the Representative Period.

If the rate resulting from the above is below zero, EURIBOR will be deemed to be zero.

If no rate is available as provided above, EURIBOR shall be the rate (expressed as a percentage rate per annum) which is determined by the Bank to be the all-inclusive cost to the Bank for the funding of the relevant Tranche based upon the then applicable internally generated Bank reference rate or an alternative rate determination method reasonably determined by the Bank.

B. LIBOR USD

"LIBOR" means, in respect of USD:

- (a) in respect of a relevant period of less than one month, the Screen Rate for a term of one month;
- (b) in respect of a relevant period of one or more months for which a Screen Rate is available, the applicable Screen Rate for a term for the corresponding number of months; and
- (c) in respect of a relevant period of more than one month for which a Screen Rate is not available, the rate resulting from a linear interpolation by reference to two Screen Rates, one of which is applicable for a period next shorter and the other for a period next longer than the length of the relevant period,

(the period for which the rate is taken or from which the rates are interpolated being the "Representative Period").

For the purposes of paragraphs (b) and (c) above, "available" means "calculated and published" under the aegis of ICE Benchmark Administration Limited (or any successor to that function of ICE Benchmark Administration Limited as determined by the Bank) for given maturities. "Screen Rate" means the rate of interest for deposits in USD for the relevant period as set by ICE Benchmark Administration Limited (or any successor to that function of ICE Benchmark Administration Limited as determined by the Bank) and released by financial news providers at 11h00, London time, or at a later time acceptable to the Bank on the day (the "Reset Date") which falls 2 (two) London Business Days prior to the first day of the relevant period.

If such Screen Rate is not so released by any financial news provider acceptable to the Bank, the Bank shall request the principal London offices of 4 (four) major banks in the London interbank market selected by the Bank to quote the rate at which USD deposits in a comparable amount are offered by each of them at approximately 11h00, London time, on the Reset Date, to prime banks in the London interbank market for a period equal to the Representative Period. If at least 2 (two) such quotations are provided, the rate will be the arithmetic mean of the quotations provided.

If fewer than 2 (two) quotations are provided as requested, the Bank shall request the principal New York City offices of 4 (four) major banks in the New York City interbank market, selected by the Bank, to quote the rate at which USD deposits in a comparable amount are offered by each of them at approximately 11h00, New York City time, on the day falling 2 (two) New York Business Days after the Reset Date, to prime banks in the European market for a period equal to the Representative Period. If at least 2 (two) such quotations are provided, the rate will be the arithmetic mean of the quotations provided.

If the rate resulting from the above is below zero, LIBOR will be deemed to be zero.

If no rate is available as provided above, LIBOR shall be the rate (expressed as a percentage rate per annum) which is determined by the Bank to be the all-inclusive cost to the Bank for the funding of the relevant Tranche based upon the then applicable internally generated Bank reference rate or an alternative rate determination method reasonably determined by the Bank.

(the period for which the Screen Rate is taken or from which the Screen Rates are interpolated being the "**Representative Period**")

For the purposes of paragraphs (b) and (c) above, "available" means "calculated and published" under the aegis of ICE Benchmark Administration Limited (or any successor to that function of ICE Benchmark Administration Limited as determined by the Bank) for given maturities.

"**Screen Rate**" means the rate of interest for deposits in GBP for the relevant period as set by ICE Benchmark Administration Limited (or any successor to that function of ICE Benchmark Administration Limited as determined by the Bank) and released by financial news providers at 11h00, London time, or at a later time acceptable to the Bank on the day (the "**Reset Date**") on which the relevant period starts or, if that day is not a Business Day in London, on the next following day which is such a Business Day.

If such Screen Rate is not so released by any financial news provider acceptable to the Bank, the Bank shall request the principal London offices of 4 (four) major banks in the London interbank market, selected by the Bank, to quote the rate at which GBP deposits in a comparable amount are offered by each of them at approximately 11h00, London time, on the Reset Date, to prime banks in the London interbank market for a period equal to the Representative Period. If at least 2 (two) such quotations are provided, the rate will be the arithmetic mean of the quotations provided.

If fewer than 2 (two) quotations are provided as requested, the rate will be the arithmetic mean of the rates quoted at approximately 11h00, London time, on the Reset Date by major banks in London (selected by the Bank) for loans in GBP in a comparable amount to leading European banks for a period equal to the Representative Period.

If the rate resulting from the above is below zero, LIBOR will be deemed to be zero.

If no rate is available as provided above, LIBOR shall be the rate (expressed as a percentage rate per annum) which is determined by the Bank to be the all-inclusive cost to the Bank for the funding of the relevant Tranche based upon the then applicable internally generated Bank reference rate or an alternative rate determination method reasonably determined by the Bank.

All terms used herein and not otherwise defined shall have the same meaning as in the Finance Contract.

I have examined an original of the Finance Contract and I have examined such laws, documents and other matters, as I have deemed necessary or appropriate for the purpose of giving this opinion.

3. The choice of English law as the law governing the Finance Contract is valid and enforceable.
4. None of the entry into and performance by the Borrower of, and the transactions contemplated by, the Finance Contract, the acceptance of the Credit, the signing of a Disbursement Offer, the submission of a Disbursement Request or the acceptance of a disbursement of a Tranche under the Finance Contract in any way conflicts with or breaches any restrictions on the incurring of financial indebtedness by the Borrower imposed by any international financial institution or international bank.
5. By virtue of the provisions of the Finance Contract, any dispute between the parties shall be settled by final and binding arbitration in accordance with the UNCITRAL Arbitration Rules. Any award of such tribunal of arbitration against the Borrower in relation to the Finance Contract may be enforced in the Republic of Moldova.
