#### I. Calculation of the financial contribution of the Republic of Moldova

1. The financial contribution of the Republic of Moldova to the EaSI strand of the ESF+ shall be established on a yearly basis in proportion to, and in addition to, the amount available each year in the Union budget for commitment appropriations needed for the management, execution and operation of the EaSI strand of the ESF+.
2. The participation fee referred to in Article 3(7) of this Agreement shall be phased in as follows:
  - 2024: 2%;
  - 2025: 2,5%;
  - 2026: 3%;
  - 2027: 4%.
3. In accordance with Article 3(5) of this Agreement, the operational contribution to be paid by the Republic of Moldova for its participation in the EaSI strand of the ESF+ will be calculated for the respective financial years by applying an adjustment to the contribution key.

The adjustment to the contribution key shall be:

$$\text{Contribution Key Adjusted} = \text{Contribution Key} \times \text{Coefficient}$$

The coefficient used for the above calculation to adjust the contribution key shall be 0,75.

For the first year of implementation of this Agreement, the Commission shall issue the call for funds within 60 days of the signature of this Agreement.

3. The Republic of Moldova shall pay its financial contribution under this Agreement in accordance with Article 3(3) of this Agreement. In the absence of payment by the Republic of Moldova by the due date, the Commission shall send a formal letter of reminder.

Any delay in the payment of the financial contribution shall give rise to the payment of default interest by the Republic of Moldova on the outstanding amount from the due date.

The interest rate for amounts receivable not paid on the due date shall be the rate applied by the European Central Bank to its principal refinancing operations, as published in the C series of the *Official Journal of the European Union*, in force on the first calendar day of the month in which the due date falls, increased by three and half percentage points.

In case the delay in the payment of the contribution is such that it may significantly jeopardise the implementation and management of the EaSI strand of the ESF+, participation of the Republic of Moldova in the EaSI strand of the ESF+ will be suspended by the Commission following the absence of payment 20 working days after a formal letter of reminder, without prejudice to the Union's obligations according to grant agreements and/or contracts already concluded pertaining to the implementation of the actions for which the Republic of Moldova was selected.
