Eighty-six million Euros

EUR 86,000,000

The amount of each Tranche shall be determined according to the Incurred Expenditure and/or Forecasted Expenditure. The amount of the first Tranche shall not exceed twenty per cent (20%) of the Loan Amount.

4.3 Disbursement Procedure

The disbursement of each Tranche is determined through the following procedure:

(a) Disbursement Request

Prior to each disbursement, the Borrower shall submit to the CEB a disbursement request substantially in the form set out under Appendix 3 hereto (hereinafter, a "Disbursement Request").

A Disbursement Request shall specify the proposed:

Each Disbursement Notice shall be delivered at least two (2) Business Days before the proposed Disbursement Date.

A Disbursement Notice shall specify:

- (i) the Currency and the amount for the Tranche;
- (ii) the Disbursement Date;
- (iii) the Principal Repayment Period and the Principal Repayment Date, including the Maturity Date;

- (iv) the Fixed Interest Rate or the Spread to the Reference Rate;
- (v) the Interest Period and the Interest Payment Dates;
- (vi) the Day Count Convention and the Business Days; and
- (vii) the Borrower's and the CEB's accounts for payments.

A Disbursement Notice matching the elements included in a Disbursement Request shall constitute an irrevocable and unconditional commitment on the part of the Borrower to borrow from the CEB and on the part of the CEB to disburse to the Borrower the Tranche under the terms and conditions specified in the Disbursement Notice.

Notwithstanding the above, if the CEB has not delivered a Disbursement Notice within twenty (20) Business Days following the receipt of a Disbursement Request, the relevant Disbursement Request shall be deemed as cancelled.

4.4 Disbursement Period

Unless otherwise agreed in writing by the CEB, the Borrower shall not be entitled to:

- (i) the issue of a Disbursement Request for the first Tranche beyond twelve (12) months after the Effective Date;
- (ii) the issue of any further Disbursement Request beyond eighteen (18) months after the last disbursement; or
- (iii) the issue of any further Disbursement Request beyond the day falling fifteen (15) Business Days before the Closing Date.

4.5 Disbursement Conditions

(a) Conditions precedent to the Disbursement Request for the first Tranche:

- (i) Legal opinion in English issued by the Borrower's Ministry of Justice confirming to the CEB's satisfaction, substantially in the form set out under Appendix 2 hereto, that the Agreement has been duly executed by authorised representatives of the Borrower and that the Agreement is valid, binding and enforceable in accordance with its terms in the Borrower's jurisdiction.
- (ii) Evidence in English (*e.g.*, statute, resolution, power of attorney, etc.) to the CEB's satisfaction of the person(s) authorised to execute the Agreement and the Disbursement Requests on behalf of the Borrower, together with the authenticated specimen of the signature(s) of such person(s).
- (iii) The other conditions as set out under the "Special Conditions" section of Appendix 1 hereto.

(b) Conditions precedent to any further Disbursement Request:

- (i) In the event there has been a change regarding the person(s) authorised to execute Disbursement Requests on behalf of the Borrower, the Borrower shall provide CEB with updated evidence in English (*e.g.*, Statute, Resolution, Power of Attorney, etc.) to the CEB's satisfaction of the person(s) authorised to execute the Disbursement Requests on behalf of the Borrower, together with the authenticated specimen of the signature(s) of such person(s).
- (ii) Progress Report confirming to the CEB's satisfaction the full Allocation of the previous Tranche.
- (iii) The other conditions as set out under the "Special Conditions" section of Appendix 1 hereto.

4.6 Repayment

On any Principal Repayment Date, the Borrower shall repay the principal of each Tranche due on that Principal Repayment Date in accordance with the terms set forth in the applicable Disbursement Notice.

4.7 Prepayment

(a) Mechanics

If in any event specified in this Agreement referring to this Sub-clause the Borrower ought to prepay all or part of a Tranche or in the event of voluntary prepayment, the Borrower shall give at least a one (1) month prior written notice to the CEB (hereinafter, the "Prepayment Notice") specifying the amounts to be prepaid, the date on which the prepayment will take place (hereinafter, the "Prepayment Date") and, upon prior consultation with the CEB, the Prepayment Costs. The Prepayment Date shall fall on an Interest Payment Date, unless otherwise agreed in writing by the CEB.

Upon receipt of the Prepayment Notice, the CEB shall send a written notice to the Borrower (hereinafter, the "Prepayment Confirmation"), not later than five (5) Business Days prior to the Prepayment Date, indicating the accrued interest due thereon and the Prepayment Costs in accordance with Sub-clause 4.7 (b).

A Prepayment Confirmation matching all the elements included in the Prepayment Notice shall constitute an irrevocable and unconditional commitment on the part of the Borrower to prepay the relevant amounts to the CEB under the terms and conditions specified in the Prepayment Confirmation.

If the Borrower partially prepays a Tranche, the prepaid amount shall be applied pro rata to each outstanding principal repayment. In such an event, the Prepayment Confirmation shall accordingly include an adjusted repayment schedule which shall be binding on the Borrower.

(b) Prepayment Costs

The costs resulting from prepayment in accordance with Sub-clause 4.7 (a) (hereinafter, the "Prepayment Costs") shall be determined by the CEB on the basis of the costs to it of redeploying the amount to be prepaid from the Prepayment Date to the Maturity Date, including any related costs, such as unwinding any underlying hedging arrangements. The costs of redeployment will be established on the basis of the difference between the original rate and the redeployment rate, which shall be determined by the CEB on the basis of market conditions on the date of the Prepayment Notice.

4.8 Interest Determination

The Borrower shall pay interest on the principal of each Tranche from time to time outstanding during each Interest Period at the Fixed Interest Rate/Floating Interest Rate specified in the applicable Disbursement Notice.

Interest shall (i) accrue from and including the first day of the Interest Period to but excluding the last day of such Interest Period; and (ii) be due and payable on the Interest Payment Dates specified in the applicable Disbursement Notice. Interest shall be calculated on the basis of the Day Count Convention specified in the relevant Disbursement Notice.

In the case of Floating Interest Rate Tranches, the CEB shall determine on each Interest Determination Date the interest rate applicable during the relevant Interest Period in accordance with the Agreement and promptly give notice thereof to the Borrower. Each determination by the CEB shall be final, conclusive and binding upon the Borrower unless shown by the Borrower to the satisfaction of the CEB that any such determination has involved manifest error.

4.9 Default Interest Rate

In the event that the Borrower fails to pay, in full or in part, any amount under the Agreement, and notwithstanding any other recourse available to the CEB under the Agreement or otherwise, the Borrower shall

pay interest on such unpaid amounts from the due date until the date of receipt of such payment by the CEB at the interest rate *per annum* equal to the one-month EURIBOR quoted on the due date plus two hundred basis points (200 bps) (hereinafter, the "Default Interest Rate").

The applicable Default Interest Rate shall be updated every thirty (30) calendar days.

4.10 Market Disruption Event

The CEB shall promptly, upon becoming aware of it, notify to the Borrower that a Market Disruption Event has occurred.

For the purposes of the Agreement, "Market Disruption Event" refers to the following circumstances:

- (a) The relevant financial news provider referred to under the EURIBOR definition does not quote any percentage rate or its corresponding screen rate page is not accessible.

Under such a Market Disruption Event, the applicable EURIBOR shall be the percentage rate *per annum* determined by the CEB to be the arithmetic mean of the rates at which loans in Euro, in an amount identical or nearest comparable to the Loan amount in question and for a period identical or nearest comparable to the relative Interest Period, are offered on the Interest Determination Date by three (3) leading banks in the EU interbank market selected by the CEB. If at least two (2) quotations are provided, the applicable EURIBOR for that Interest Determination Date shall be the arithmetic mean of all quotations provided.

If only one (1) or no quotation is provided, the applicable EURIBOR shall be the percentage rate *per annum* determined by the CEB to be the arithmetic mean of the rates at which loans in Euro, in an amount identical or nearest comparable to the Loan amount in question and for a period identical or nearest comparable to the relative Interest Period, are offered on the second Business Day after the beginning of the relevant Interest Period by major banks in the EU interbank market selected by the CEB.

- (b) The CEB determines that it is not possible to determine the applicable Reference Rate in accordance with paragraph (a) above.

Under such a Market Disruption Event, the applicable Floating Interest Rate shall be replaced by the rate that expresses as a percentage rate *per annum* the cost to the CEB of funding the Loan from whatever source the CEB may reasonably select.

- (c) At any time between the delivery of a Disbursement Notice and the Disbursement Date the CEB reasonably determines that there are exceptional and unexpected circumstances of an economic, financial, political or other external nature adversely affecting the CEB's access to its sources of funding.

Under such a Market Disruption Event, the CEB shall be entitled to cancel at no cost the scheduled disbursement.

In the case of the Market Disruption Events set forth under paragraphs (a) and (b) above (other than an EURIBOR Replacement Event):

- (i) If the Borrower so requires, the Parties, acting in good faith, shall enter into negotiations for a period of not more than thirty (30) calendar days in order to agree on an alternative to the applicable EURIBOR. If no agreement is reached, the Borrower shall proceed with prepayment on the next Interest Payment Date in the terms provided under Sub-clause 4.7.
- (ii) The CEB shall have the right, acting in good faith and in consultation with the Borrower to the extent reasonably practicable, to change the duration of any subsequent Interest Period to thirty (30) calendar days or less by sending to the Borrower a notice thereof. Any such change to an Interest Period shall take effect on the date specified by the CEB in such notice.

If the CEB determines that the relevant Market Disruption Event no longer exists, then, subject to any further Market Disruption Event occurring or existing, the Floating Interest Rate and/or Interest Period applicable to any relevant Tranche shall revert, from the first day of the following Interest Period to being calculated in accordance with the Floating Interest Rate and Interest Period specified in the relevant Disbursement Notice.

4.11 Payments

All the amounts due by the Borrower under this Agreement are payable in the Currency of each Tranche to the CEB's account indicated in the applicable Disbursement Notice. Any payment under this Agreement shall be made on a Business Day subject to the Modified Following Business Day Convention. Any payment shall be deemed paid when the CEB has received the amount on its account.

The Borrower or the bank instructed by the Borrower, as the case may be, shall send a written payment notice to the CEB at least five (5) Business Days before payment of any amounts due under this Agreement.

All payments to be made by the Borrower under this Agreement shall be calculated and be made without (and free and clear of any deduction for) set-off or counterclaim.

If the CEB receives a payment that is insufficient to discharge all the amounts then due and payable by the Borrower under this Agreement, the CEB shall apply that payment in or towards payment of:

- (i) first, any fees, costs, charges or expenses due but unpaid under this Agreement;
- (ii) secondly, any accrued interest due but unpaid under this Agreement,
- (iii) thirdly, any principal due but unpaid under this Agreement; and
- (iv) fourthly, any other sum due but unpaid under this Agreement.

5. PROJECT IMPLEMENTATION

The Borrower shall implement the Project in accordance with the Agreement.

The Borrower designates the Ministry of Health as the PIE. The Borrower shall ensure that the PIE appoints a PIU appropriately staffed and equipped throughout the Project implementation period. In particular, the PIU shall comply with the minimum requirements set forth under Appendix 1 hereto.

In any event, the Borrower remains solely liable to comply with its obligations under the Agreement.

Failure to comply with the undertakings set forth hereby under Clause 5 would constitute, irrespective of any other applicable provision of the Loan Regulations, an event in the terms of Article 3.3 (h) of the Loan Regulations and may give rise to (i) the relevant contract expenditure declared ineligible for Allocation under the Project; and/or (ii) the early reimbursement, suspension or cancellation of the Loan, in whole or in part, under the terms of Articles 3.3 (*Early reimbursement of disbursed loans*), 3.5 (*Suspension by the Bank of undisbursed loans*) and 3.6 (*Cancellation by the Bank of undisbursed loans*) of the Loan Regulations.

5.1 Duty of Care

The Borrower shall apply all care and diligence, and shall exercise all typically used means (including, but not limited to, legal, financial, managerial and technical) required for the proper implementation of the Project.

5.2 Allocation Period

The Borrower shall allocate each Tranche to the Project within twelve (12) months after the relevant Disbursement Date (hereinafter, the "Allocation Period"), unless otherwise agreed in writing by the CEB.

If a Tranche disbursed by the CEB is not allocated to the Project or is only partially allocated to it within the Allocation Period, the Borrower shall proceed with prepayment of the unallocated amounts on the next Interest Payment Date in the terms provided under Sub-clause 4.7.

5.3 Project Costs

The Tranches disbursed under the Loan shall not exceed ninety per cent (90%) of the total eligible costs of the Project specified under Appendix 1 hereto. If the Tranches disbursed under the Loan exceed 90% (by reduction of the total eligible costs or otherwise), the Borrower shall proceed with prepayment of the surplus on the next Interest Payment Date in the terms provided under Sub-clause 4.7.

Should the total eligible costs of the Project increase or be revised for whatever reason, the Borrower shall ensure that the additional financial resources for the completion of the Project are available without recourse to the CEB. The plans to finance the increased costs shall be communicated to the CEB without delay.

5.4 Project Specific Undertakings

The Borrower shall ensure that:

- (i) all the land, real property rights and permits required for the implementation of the Project are timely available;
- (ii) all assets and plants under the Project are permanently insured, maintained and operated in accordance with international best practices; and
- (iii) any other requirement specified in Appendix 1 ("Specific Conditions") hereto is complied with.

5.5 Procurement

The Borrower shall conduct all procurement procedures under the Project in accordance with the public procurement laws of the Republic of Moldova. In particular, the Borrower shall ensure that any party having an interest in obtaining a particular contract to be financed under the Project shall have access to the review procedures and remedies provided for under the laws of the Republic of Moldova.

To be eligible for financing under the Loan, procurement of works, services and goods carried out in accordance with the paragraph above, shall be in line with the Procurement Guidelines. In particular, the Procurement Plan (as such term is defined under the Procurement Guidelines) and any update thereof, indicating the procurement methods for each contract shall be submitted to the CEB for approval. Upon receipt, the CEB will inform the Borrower of the scope of review that CEB will carry out for each contract.

5.6 Environmental and Social Safeguards
